TO WHOM IT MAY CONCERN

Refiloe Seseane from 18twenty8 co-ordinated a job shadow day for 16 of our matric girls.

The girls were exposed to the following careers:

- Law
- Business Management
- Economics
- TV Producing and Directing
- Psychology
- Entrepreneurship

They spent time with a professional in each of the above fields as part of their career development. 18twenty8 has gone out of their way to accommodate our matric girls – they speak highly of the opportunity they were given and are more focused on their future plans.
